## ABOUT US

For over 35 years, we've been setting the benchmark in masonry tools and construction equipment. With innovation, precision, and durability at our core, Anchor Agro Steel Industry LLP continues to be the most trusted name among masons, contractors, and distributors across India.

Our Product is sold in more than 45+ cities in India with over 650+ dealers and wholesalers. We have 500+ SKUs with a variety of high quality Brick Laying Trowels, Plastering Trowels, Handsaw & Putty Blades.

# OUR JOURNEY

Founded in **1989** by **Mr. Vasudev Madhani**, **Anchor** began with a small team of just **4 people,** manufacturing **handsaws** from a modest setup. Over the next four decades, the company steadily expanded its manufacturing **capabilities, product range, workforce and market presence**—growing from a single-product operation into a trusted name in **masonry and construction tools.** Today, Anchor operates from a **modern integrated manufacturing facility** equipped with **advanced and automated machinery,** offering 500+ SKUs across handsaws, brick-laying and cement-laying trowels, putty blades and other professional tools. Built on **decades of experience** and craftsmanship, our journey continues with a renewed focus on professionalization, automation, scale, innovation and uncompromising quality.

**PROFESSIONALIZATION**
Strong processes, skilled teams and a customer-first approach drive everything we do.

**AUTOMATION**
Modern machinery and automated work flows ensure precision, consistency and efficiency.

**SCALE**
Expanding capacity, wider reach and a strong distribution network to serve growing demand.

**INNOVATION & QUALITY**
Continuous product innovation and strict quality standards for tools that last longer and perform better.

# PLASTERING TROWELS

Our Plastering Trowels represent premium, superior-quality craftsmanship, combining some of the best-in-industry designs with comfortable ergonomic handles. Manufactured using heavy-quality Tata Steel blades, they are available in distinctive Blue and Grey Furnace Finish options for strength, durability and a professional appearance. Offered with PVC and Wooden Handles, the range is designed for excellent grip, balance and dependable performance in demanding plastering applications.

ANCHOR AGRO STEEL IND. (LLP) (INDIA)

# RIVET-LESS RANGE

Our Rivet-Less Plastering Trowel Range is engineered for superior strength, cleaner construction and enhanced durability. Featuring a high-strength spot/stud welded design, it eliminates conventional blade rivets while providing a strong and secure connection between the blade and support. Paired with a premium ergonomic ABS handle & PVC Handles, this range offers excellent grip, comfort and control—making it a modern, heavy-duty choice for professional users.

- Ergonomic PVC/ABS Handles
- High Quality Tata Steel
- Rivet-Less Smooth Surface
- Durable Welding Strength

# HANDSAW

## BUILT STRONG. CUTS SMOOTH

Our **Handsaws** are a high-quality cutting range designed for both Wood Cutting and AAC Concrete Block Cutting applications. Manufactured using high-quality Furner Steel from Tata Steel, the blades are built for strength, durability and efficient cutting performance. The range is available with different teeth-per-inch configurations as per application requirements, along with carbide-tipped options. Customers can choose from Wooden, PVC and ergonomic ABS Rubber handles, offering a strong grip, better control and comfortable professional use.

**LONG LASTING TEMPERED STEEL**
High Strength for Longer Life

**PRECISE & SHARP TEETH**
Sharper. Stronger. Built to last.

**HEAVY ANTI-SLIP HANDLE**
Ergonomic Design fo Comfort & Control

**STRONG & DURABLE**

**SHARP TEETH**

**HEAVY DUTY PERFORMANCE**
